

Neurobehavioural Disability after Acquired Brain Injury: Selective Topics Demonstrating Innovation in Practice and Delivery

Swansea University
Prifysgol Abertawe

Presented in partnership with:
Elysium Neurological

Swansea University and Elysium Neurological are delighted to present their fourth annual conference focussed on neurobehavioural disability after acquired brain injury.

This exciting and informative one-day conference will bring together leading experts in the field to provide authoritative accounts of the very latest clinical innovations, strategies and cutting-edge developments in the management of the debilitating symptoms of neurobehavioural disability.

The varied, dynamic and practical programme will support a wide range of rehabilitative practices and will appeal to all those interested and/or involved in the care of individuals with an acquired brain injury, including case managers, commissioners, rehabilitation and healthcare professionals, clinicians, academics and legal fraternity.

25 November 2019 from 09:00 – 16:30
Swansea Marriott Hotel, Maritime Quarter,
Swansea, SA1 3SS

Registration:

- Professional/Corporate: £125*
- Student/Trainee: £90*
