Equality, Diversity and Inclusion Monitoring Form

UK Research and Innovation (UKRI) aims to support a diverse and inclusive research environment where there is equal access to opportunities. As part of its commitment to Equality, Diversity and Inclusion, UKRI wants to understand who wishes to access UKRI support, as well as those who receive it.

To do so, Swansea University asks you to complete the following form as part of your scholarship application. Completion of this monitoring form is not mandatory, but is encouraged so that UKRI has an evidenced understanding of the students its training provision attracts and supports. The data will be shared with UKRI for the purpose of analysing general trends in student populations across the UK. The legal basis for this data processing is set out in the General Data Protection Regulations 2016/679 (EU) GDPR, specifically Article 6 (e) and and, in relation to special category data processing, Article 9 (g).

Your data will be processed by Swansea University in line with its [Student Privacy Notice](#), and will be passed to UKRI as aggregated data of recruitment rounds/cohorts, not as individual data. UKRI will be handling the data in a GDPR compliant manner utilising methodology set out by [HESA](#) and its own [Privacy Notice](#).

The data provided in this form will be separated from your application and will not be utilised as part of assessment or decision processes.

Ffurflen Monitro Cydraddoldeb, Amrywiaeth a Chynhwysiant

Nod Ymchwil ac Arloesi'r DU (UKRI) yw cefnogi amgylchedd ymchwil amrywiol a chynhwysol lle mae cyfleoedd cyfartal ar gael i bawb. Fel rhan o'i ymrwymiad i Gydraddoldeb, Amrywiaeth a Chynhwysiant, mae UKRI am ddeall pwy sy'n dymuno derbyn cefnogaeth UKRI, yn ogystal â'r rhai hynny sy'n ei derbyn nawr.

Er mwyn gwneud hynny, mae Prifysgol Abertawe'n gofyn i chi gwblhau'r ffurflen ganlynol fel rhan o'ch cais am ysgoloriaeth. Nid yw'n orfodol cwblhau'r ffurflen fonitro hon, ond rydym yn eich annog i'w wneud fel y gall UKRI ddatblygu dealltwriaeth sy'n seiliedig ar dystiolaeth o'r myfyrwyr y mae ei ddarpariaeth hyfforddi'n eu denu ac yn eu cefnogi. Caiff y data ei rannu ag UKRI at ddibenion dadansoddi tueddiadau cyffredinol o ran poblogaethau myfyrwyr ledled y DU. Mae sail gyfreithiol y prosesu data hwn wedi'i hamlinellu yn Rheoliad Cyffredinol ar Ddiogelu Data2016/679 yr UE (GDPR), yn benodol Erthygl 6 (e) ac, mewn perthynas â phrosesu data categori arbennig, Erthygl 9 (g).

Caiff eich data ei brosesi gan Brifysgol Abertawe yn unol â'i [Hysbysiad Preifatrwydd Myfyrwyr](#), a chaiff ei drosglwyddo i UKRI fel data cyfanredol ynghylch cylchoedd/carfannau recriwtio, nid fel data am unigolion. Bydd UKRI yn ymdrin â'r data mewn ffordd sy'n cydymffurfio â'r GDPR, gan ddefnyddio methodoleg a amlinellwyd gan [HESA](#) a'i [Hysbysiad Preifatrwydd](#) ef.

Cedwir y data a ddarperir ar y ffurflen hon ar wahân i'ch cais ac ni chaiff ei ddefnyddio fel rhan o'r prosesau asesu na dyfarnu.
