

**WEDNESDAY 18 DECEMBER 2019
COLLEGE OF ENGINEERING**

**Congregation 3
(2.15pm)**

ENGINEERING

Advanced Manufacturing Engineering
Aeronautical and Manufacturing Engineering (Coleg Cambria)
Aerospace Engineering
Aerospace Engineering with a Year in Industry
Chemical Engineering
Civil Engineering
Civil Engineering with a Year in Industry
Communications Engineering
Computational Mechanics
Computer Modelling and Finite Elements in Engineering Mechanics
Electrical and Electronic Engineering
Electronic and Electrical Engineering
Engineering Leadership and Management
Environmental Engineering
Materials Engineering
Materials Science and Engineering
Mechanical Engineering
Medical Engineering
Nanoscience to Nanotechnology
Nanotechnology
Power Engineering and Sustainable Energy
Sustainable Engineering Management for International Development

SPORT AND EXERCISE SCIENCES

Sports Ethics and Integrity
Sports Science
