4 Selection

4.1 Selection will be based on your supporting statement submitted in your scholarship application and other contextual information, *specifically your references*, provided in your application to study at Swansea University.

4.2 A selection panel will meet to consider all eligible applications and allocation of this fund. This will normally comprise a representative from the University's Senior Management Team, a member of the academic staff team, a representative from the local asylum seeker community and/or a member from a local asylum seeker support group or agency, an elected member of the Student Union, a representative from the University's professional services team.

4.3 You cannot be considered for an award if you have not submitted a completed scholarship application along with any relevant supporting evidence, within the application deadline. All awards are discretionary and limited in number, so even if you meet the criteria you are not guaranteed to receive one.

5 Additional Funding Support

5.1 This funding scheme is only open to you if you are **not** eligible for UK Government funding such as PGT loans or any other significant sponsorship funding towards your fees and living costs. The University reserves the right to vary this policy in particular individual circumstances, where the additional funding received may be limited. The University reserves the right not to allocate, or to withdraw and seek repayment of your fee bursary and study bursary, if you already have, or are later awarded a bursary or sponsorship package and/ or if you fail to disclose a significant change in your immigration status that then entitles you to access statutory student funding.

6 Provision of the award

6.1 Provision of the awards will be made by the University's finance office and the University's Money@CampusLife team. Please note the tuition fee element of the award will only be transferred to the University's income team on the due date if you are fully registered as a student at Swansea and have completed and returned a scholarship agreement form which must be returned, **in person**, to the Money@CampusLife office. This form will be emailed to you should you be successful in your application. *Please note that prior to enrolment on your degree (and allocation of the scholarship) you will be required to meet with an adviser who will: confirm your immigration status at the point of enrolment; ensure that you have read and agree to the terms and conditions of the bursary, in full.*

6.2 You will be contacted regarding the schedule of provision for the bus pass, meal card and study equipment. If you and your family are in receipt of asylum support provided by the UK Home Office, the living cost may disrupt your eligibility for these payments. It is your responsibility to seek independent advice from a refugee organisation on the impact that the Bursary may have on your family's access to financial support from the UK Home Office.

6.3 If you are undertaking a full time PGTM programme which entails a longer period of writing up, bus pass and meal card provision will be made available for the duration of your studies.

6.4 The University reserves the right to withdraw or not award scholarships at any point before they are allocated.

6.5 No cash alternatives will be offered and the scholarship cannot be transferred to any other course at Swansea University or to any other nominated recipient.

7 Changes to study

7.1 If you change to a non-eligible programme or mode of study then your Sanctuary Scholarship may be withdrawn. If you make **any** changes to your original programme of study you must notify the Money@CampusLife Team about this by emailing SanctuaryScholarship@swansea.ac.uk, as it may affect your continued eligibility.

8 Suspensions from studies

- 8.1 If you suspend from your studies then you will not be eligible to receive any future awards in that year.
- 8.2 You may however, be eligible to receive any outstanding awards due upon your return to studies, following a period of suspension.

9 Withdrawal from Studies

- 9.1 A student who wishes to cease study on their course will be withdrawn from that course and the Sanctuary Scholarship will be withdrawn.
- 9.2 A student who withdraws will not have to repay any Sanctuary Scholarship award payment, as long as they are in attendance on the date of their payment/tuition fee due date.
- 9.3 A student who withdraws will not receive any further payments/award provision, but any previously paid instalments/provision will not be recovered. Students will be expected to return equipment (laptop) the meal card and the bus pass.
- 9.4 A student who withdraws will have the tuition fee award adjusted to meet the tuition fee liability in the year of withdrawal.

10 Repeating, extending or deferring your studies

- 10.1 In line with Student Loan Company provision, Scholarship awards will not be provided during any extension/repeat period(s) to a taught postgraduate programme. See also section 8.
- 10.2 In line with Student Loan Company provision, Scholarship recipients will not be eligible for a '+1' / 'gift year' of tuition fee scholarship, bus pass provision and meal card provision.
- 10.3 Scholarship funding is only up to the award value of the relevant tuition fee liability as agreed at the start of the programme. Students transferring to a different mode of study (e.g. full time to part time) will receive the tuition fee scholarship and associated scholarship provision associated with their new study mode (see point 1.2)
- 10.4 Awards are allocated only for the duration of the course. If you defer or withdraw and restart, any award already offered will become void. If eligible, you will be eligible to apply for a scholarship in the future, but this will be subject to the terms of the award then in force.

11 Changes to your immigration status

- 11.1 If you have a change to your immigration status you MUST notify the Money@CampusLife Team immediately. We may require you to provide documentary evidence of your change in status.
- 11.2 If your change in immigration status means that you become eligible for UK PGT funding then any scholarship award will be calculated on a pro rata basis and will only be payable up until that point. You will be expected to apply for relevant funding from the UK Government for the future period of study, to cover any balance/shortfall that is payable from the date that your immigration status changed and the scholarship award was no longer payable. Once UK Government student financial support has been awarded, the Sanctuary Scholarship award would be suspended.
- 11.3 If you receive notice that you are detained by the UK Home Office then your award will be suspended for the duration of your detention. The University will review the support available to you to help you resume your studies if your status enables you to continue.

- 11.4 If at any point during the application process or after you begin your studies, we are informed by the Home Office that you should not be studying at the University, you will no longer be eligible for the award. We will deem you withdrawn and you will be expected to leave your studies immediately.

12 Disciplinary action and fraudulent applications

- 12.1 The University reserves the right to terminate your scholarship award and demand repayment of funds (fee scholarship) already paid and return of equipment, bus pass and meal card in the case of any disciplinary action being taken against an award-holder. Cases will be considered on an individual basis by a member of the Senior Management Team.
- 12.2 The University reserves the right to withdraw an award from anyone who is found to have provided inaccurate information about any aspect of their eligibility to the Sanctuary Scholarship award. In such cases the University reserves the right to seek repayment of any award already made. In such cases the University may seek to recover any money paid as a debt (in which case the University may also seek to recover additional sums such as interest accrued on the debt, county court fees and legal costs if applicable).
We may request at any point, for verification and auditing purposes, evidence of any information provided in your application.

13 Appeals

- 13.1 There is no right of appeal and the University's decision is final in relation to your eligibility for an award. You may make a complaint if you believe that you have not been considered for an award because of a procedural error, or you believe that there has been some other procedural problem with our allocating and awarding system. Complaints should be made under the terms of our Admissions Complaint Procedure: <https://www.swansea.ac.uk/media/complaints-and-appeals-policy-for-applicants-2020.pdf>.

14 Use of Data

- 14.1 Students on collaborative programmes need to be aware that in order to facilitate the delivery of these programmes it will be necessary for some student personal data, including sensitive data, to be shared with partner institutions. Each partner institution is responsible for ensuring that they comply with the Data Protection Act 2018, including ensuring that the data which is shared is relevant to the registration requirements and shared and stored securely.
- 14.2 The University may use the data / information you share with us to provide information and advice about the University to you as an applicant. Should you subsequently join the University, the University may also use the data to inform our strategies for supporting you as a new entrant, to inform you about provision that you may be able to access, to monitor student success and for other legitimate reasons.
