In Brynmill, Uplands, Mount Pleasant and Sandfields the collection day is **Wednesday**. Use the calendar opposite to keep track of your collection week.

Place bags and bins out on the kerbside **after** 7pm Tuesday evening only ready for collection Wednesday morning.

You can collect replacement recycling bags and kit from your University campus and many local shops. See a full list of locations at www.swansea.gov.uk/morebags

If your bag is stickered, and left by the collection crew you have made a mistake. Remove the bag from the kerbside and follow the guidance on the sticker. Failure to do so may result in a fixed penalty notice of **£100**.

Keep Recycling Out! Black bags are for non-recyclable waste only. Recycle all accepted items to keep them out of landfill and keep your garden and street tidy.

Other items can be recycled at our Recycling Centres. For a full list of sites and materials accepted visit www.swansea.gov.uk/recyclingcentres
