### EMS OPERATIONAL PROCEDURES

#### CURRENT PROCEDURES

Underpinning our Environmental Management System are our operational procedures that support the day-to-day activities which take place across our campuses. Outlined in the table below are the University's central EMS procedures and operational documents.

Further information relating to local arrangements can be accessed through individual Academic Colleges and Professional Services (University support/administrative services).

Our staff can download policies and related documents over on our Staff Intranet pages.

If you're not a member of staff but need access to a document, please [get in touch with our Sustainability team](#).
